11

national

scenic

trails.

These

trails

are

100

100

miles

long

or

or

more.

These

trails

usually go through wilderness.

National

scenic

trails

are

all

on

land.

Some

trails

are

national

historic

trails.

The U.S.

has

19

19

national

historic

trails.

Each

trail

is

important

in

U.S.

history.

Famous

explorers

made

some of the trails long ago.

Other

trails

go

near

famous

battlefields.

The National Trails System is 50 years old.

=

50
